

# Wyoming County's Barn Quilt Trail

## Four Quilt Trail Blocks to Visit!

The Wyoming County Barn Quilt Trail was established to promote our area, the appreciation of agriculture and our community, and promote the art, craft and legacy of quilt making in our region. We are very happy you are here and only ask that you use caution when slowing down or stopping at a site. Many of the barn quilts are on private property and should be viewed from the road, unless otherwise indicated.

The listings below are organized by block color and location number, name of the barn quilt square and address. It also notes if the square is at a residence or business location. Enjoy the trail and beautiful Wyoming County.
